

GENERAL CONDITIONS OF SERVICES (GCS) FRENCH INSTITUTE OF CAMBODIA (LANGUAGE CENTER)

These general terms and conditions for the sale of services are entered into by the Institut français du Cambodge (IFC), headquartered in Phnom Penh (Cambodia), hereinafter referred to as the “IFC”, and by any individual or legal entity wishing to use the services of the IFC, hereinafter referred to as the “user”.

Object

These general terms and conditions of sale of services are intended to define the contractual relationship between the IFC and the user and the conditions applicable to any purchase and/or use of IFC services, whether the user is a professional or non-professional.

IFC services are defined as services provided throughout Cambodia by IFC teams.

The acquisition of a good or service through the IFC implies unreserved acceptance by the user of these general conditions of sale.

These general terms and conditions of sale of services shall prevail over any other general or special terms and conditions not expressly approved by IFC.

IFC reserves the right to modify its general terms and conditions of sale at any time. In this case, the user will be required to re-sign the said terms and conditions when re-registering.

The services offered are those listed on the IFC website: www.ifcambodge.com

IFC offers three types of services: language center, media library and cultural services.

For the latter, general terms and conditions of sale apply on a case-by-case basis and will be communicated in due course.

For all services subject to the present terms and conditions, the prices shown on the website are in US Dollars.
